## Interpreter Education Online

### Language Access and the New Reality, the Winter Edition

By Interpreter Education Online (IEO)

December 3-4, 2020

Virtual Conference via Zoom

#### About the conference:

The theme of IEO's Second Virtual Conference is pivoting of the interpreting and translation profession during the pandemic and post-election, going into 2021. You will participate in expert discussions about the most pressing issues and new developments of the industry, and receive hands-on tips that will help you expand your career. Participants will learn from experts in the field, network with their peers, have questions answered and get CEUs. Sponsors can participate in raffles by contributing prizes to elevate their presence.

For more information on the conference, [click here](#).

#### About IEO:

[Interpreter Education Online \(IEO\)](#) is a leading provider of interpreter training for healthcare and legal interpreters and translators, from preparation to state certification exams to continuing education units and performance tests. In addition to individual interpreters, IEO collaborates with state courts and healthcare organizations to provide quality training and testing to their bilingual employees. We also work with Language Service Companies testing their applicants and helping them to maintain quality assurance for their clients. As we continue to grow, we are determined to ensure that the standards of professional interpretation are consistently upheld by our students.
