## Linguist Education Online

### Language Access: Visibility of the Profession

By Linguist Education Online (LEO)

June 24-25, 2021

Online International Conference

#### About the conference:

The theme of LEO's Third International Virtual Conference is visibility of interpreter and translator profession. You will participate in expert discussions about the most pressing issues and new developments of the industry, and receive hands-on tips that will help you expand your career. Participants will learn from experts in the field, network with their peers, have questions answered and will get CEUs. Sponsors can participate in raffles by contributing prizes to elevate their presence.

For more information on the conference, [click here](#).

#### About LEO:

[Linguist Education Online \(LEO\)](#) is a leading provider of interpreter and translator training for healthcare, legal, educational interpreters and translators, from preparation to state certification exams to continuing education units and performance tests. In addition to individual linguists, LEO collaborates with state courts, healthcare organizations and schools to provide quality training and testing to their bilingual employees. We also work with Language Service Companies testing their applicants and helping them to maintain quality assurance for their clients. As we continue to grow, we are determined to ensure that the standards of professional language services and language access are consistently upheld by our students and customers.
